ATTN: Zhuk E.I.  
Director of LLC NPP Belenergokip

Since 2018, the Belelektroremont branch of Belenergomont OJSC has been operating an OLTC analyzer PKR-2 device.

During the entire life of the specified device, there were no facts of incorrect operation. The equipment has established itself as reliable, unpretentious and easy to operate

As necessary, service, warranty, as well as qualified support in the operation of the device are provided by the supplier of NPP Belenergokip promptly and in full.

Yours faithfully,  
Director of the branch  
Belenergomont

Kobzyev E.A.
